3	11-11-2025	Supreme Industries Limited	Others	Management	Appointment of Mr. Rajiv Jalota (DIN: 00152021) as an Independent Director of the Company for a period of 5 (five) years with effect from 13th September, 2025 to 12th September, 2030, and that he shall not be liable to retire by rotation.	For	For	No concern has been identified with regards to the profile, time commitments and independence of the proposed appointee.
3	11-11-2025	Supreme Industries Limited	Others	Management	Appointment of Mr. Sriram Hariharan (DIN: 10156705) as an Independent Director of the Company for a period of 5 (five) years with effect from 13th September, 2025 to 12th September, 2030, and that he shall not be liable to retire by rotation.	For	For	No concern has been identified with regards to the profile, time commitments and independence of the proposed appointee.
3	11-11-2025	Vodafone Idea Limited	Others	Management	Appointment of Mr. Abhijit Kishore (DIN: 09042186) as the Chief Executive Officer of the Company.	For	For	No concern identified with respect to profile or time commitments and proposed remuneration of proposed appointee.
3	12-11-2025	India Glycols Limited	EGM	Management	To create, issue, offer and allot, on a preferential basis up to 51,03,765 Equity shares of face value of Rs. 5/- each (Equity Shares) for cash, at a price of Rs. 915/- per equity share (including a premium of Rs. 910/- per equity share), determined in accordance with the provisions of Chapter V of SEBI ICDR Regulations, for an aggregate amount of up to Rs. 4,66,99,44,975/-.	For	Against	Governance Concern: The proposed issuance has a potential to cause significant dilution and there is no justification for not opting rights issue. Transparency Concern: There is also no clarity on the basis of selection of proposed allottees and whether any due diligence was conducted to ascertain the financial capabilities of the allottees to meet their payment obligation under the issue.
3	12-11-2025	RBL Bank Limited	EGM	Management	To increase the authorized share capital of the Bank from Rs. 1000,00,00,000 divided into 100,00,00,000 equity (ordinary) shares of Rs. 10 each to Rs. 1800,00,00,000 divided into 180,00,00,000 equity (ordinary) shares of Rs. 10 each and to alter and replace Clause V of the Memorandum of Association of the Bank.	For	For	No governance concern identified.
3	12-11-2025	RBL Bank Limited	EGM	Management	Issuance of Equity Shares by way of Preferential Issue on a Private Placement Basis up to Rs. 268,53,27,78,080.	For	For	No governance concern identified.
3	12-11-2025	RBL Bank Limited	EGM	Management	Amendment to the Articles of Association of the Bank and grant of Special Right regarding Director Nomination to Identified Shareholder of the Bank.	For	Against	Governance concern: The rights given in cases where shareholding would be above 50%, to nominate all of the non-independent directors on the Board, including executive directors, appears to be significant. The same leaves no scope for representation of other significant and willing shareholders, thereby limiting board diversity and plurality of views among Non-Independent Directors. Since all Non-Independent Directors, including executive directors, would be investor nominees in such situations, management and board discussions could be inclined towards the investor's strategic and operational priorities, potentially diminishing the practical effectiveness of independent oversight. Governance balance of the Board would be better served if mechanisms ensured that representation is not significantly inclined in favour of a select investor.
3	12-11-2025	RBL Bank Limited	EGM	Management	Approval for Amendment to the Articles of Association of the Bank.	For	Against	Two of the alterations deal with removal of casting vote provision. The removal of the casting vote is a part of a broader framework that considerably increases the influence of the select investor on the Board. No concerns identified with regard to other alterations.
3	12-11-2025	RBL Bank Limited	EGM	Management	To consider and approve a Cap of 24% on the Aggregate Foreign Ownership.	For	For	No governance concern identified.

The value of BBL shares for this transaction is arrived through a valuation report wherein BBL shares are valued. Hence, the overall valuation should be fair in order for consideration for cash component to be fair. Concerns are identified with regard to the valuation report as the same does not explain as to why different Swap Ratio are assigned for different investors under the same agreement, different settlement arrangement with different investors and reasons not clear, why guaranteed returns only to select investors, significant difference in holding company discount determined, significant shift in projection estimates and significant gap in multiples of the entities involved.

4	14-01-2026	Shriram Finance Limited	EGM	Management	The payment of a one-time, non-recurring and fixed amount of USD 200,000,000 by MUFG Bank Ltd (Investor) to Shriram Ownership Trust, Promoter of the Company for the non-compete and non-solicit obligations undertaken by Shriram Ownership Trust for itself and on behalf of its affiliates for the benefit of the Company, with a view to safeguard the Company's goodwill, protecting the interests of all its shareholders and ring-fencing and enhancing the value of the Company's lending and credit business.	For	Against	Transparency Concern: The proposed payment of a non-compete / non-solicit fee to a promoter who continues to remain invested in the Company with a near-equal stake raises concerns of incomplete disclosure. It is unclear why such protection is required; if Shriram were to start a competing business, it would harm its own economic interest as much as MUFG's, given their comparable shareholding. The Company should therefore clearly explain the rationale and demonstrate how the proposed payment represents fair and reasonable compensation to the promoter entity.

For	Against	Governance concern: Warrants priced approx. at par with equity shares. Shares and warrants are two different species of securities and warrants are derivatives, therefore, cannot be priced based on market price. The proposed preferential issue of convertible warrants would lead to significant dilution and no clarity regarding the reason behind not opting for Rights Issue; Transparency Concern: The Company has not provided adequate explanation as to why preferential offer is being made to promoter. Shareholders should be informed of the rationale for selecting only Twin Star Overseas Limited as the investor.

For	Against	Governance concern: Proposed Director is serving as Chairperson of both Audit Committee & Nomination & Remuneration Committee committees. A common director acting Chairperson of both the Committees may not be in the best interest of Corporate governance since it might lead to concentration of power in the hands of a single individual.
4	07-03-2026	Sunteck Realty Limited	Others	Management	Re-appointment of Mr. Mukesh Jain (DIN: 01316027) as an Independent Director of the Company, not liable to retire by rotation, to hold office for a second term of 5 (five) consecutive years i.e. up to 17 September 2031.	For	Against	Transparency concern: Adequate disclosures required regarding the basis of selection of the firm, nature of services rendered and whether the Company intends to continue similar engagements going forward, at the Company or subsidiary level.
4	07-03-2026	Sunteck Realty Limited	Others	Management	To approve transaction(s) of the subsidiaries of the Company (SRL) pursuant to Regulation 23 of Listing Regulations.	For	Against	Governance concern: Inadequate disclosures with respect to the basis of arm's length pricing. The explanatory statement does not provide any specific benchmarking or methodology, comparable transactions, or external reports to support basis of arm's length pricing. Without such supporting details it difficult for shareholders to assess fairness. Transparency concern: No clarity on whether other JV partner is contributing in a proportionate manner to their shareholding. The guarantees should be proportionate to its shareholding, and if not, adequate reason(s) for the same must be provided.
4	08-03-2026	Ashoka Buildcon Limited	Others	Management	To re-appoint Mr. Ashok Katariya (DIN: 00112240), as a Whole-time Director, to be designated as Chairman of the Company for a period of three (3) years from April 01, 2026 and the remuneration payable to him on his re-appointment. For	Against	Transparency Concern: The disclosures relating to the acquisition of a stake in Sky Gate Hospitality Private Limited contain inconsistencies in total issued share capital, and the number of shares proposed to be acquired. Further, as per data provided in the notice per-share valuation varies significantly across tranches without adequate explanation, and pricing of certain acquisitions has not been disclosed. These discrepancies raise transparency concerns, restricting investors' ability to make an informed decision.
4	08-03-2026	Laxmi Organic Industries Ltd	Others	Management	Re-appointment of Dr. Rajiv Banavali (DIN 09128266) as an Independent Director of the Company, not liable to retire by rotation, to hold office for a second term of two years from May 18, 2026 till May 17, 2028.	For	For	No concern identified with regards to independence, profile and time commitment of the proposed appointee.
4	08-03-2026	Metropolis Healthcare Ltd	Others	Management	To capitalisation of a sum not exceeding INR 31.10 Crore out of securities premium received in cash and / or general reserve and / or retained earnings of the Company, as may be considered appropriate for the purpose of issue and allotment of bonus equity shares of face value of INR 2/- each credited as fully paid-up to eligible members of the Company holding equity shares of face value of INR 2/- each whose names appear in the Register of Members / Register of Beneficial Owners on a 'Record Date' to be determined by the Board for this purpose, in the proportion of 3:1 i.e., 3 (three) new fully paid-up equity shares of face value of INR 2/- (Indian Rupees Two only) each for every 1 (one) existing fully paid-up equity share of face value of INR 2/- each held by them and that the new bonus equity shares so issued and allotted shall, for all purposes, be treated as an increase in the paid-up share capital of the Company held by each such member.	For	For	No governance concern identified.
4	08-03-2026	SBFC Finance Ltd	Others	Management	Re-designation of Mr. Aseem Dhru (DIN: 01761455) as Executive Vice-Chairman of the Company, for a term of five consecutive years effective from 1st April, 2026 to 31st March, 2031, liable to retire by rotation, consequent to him ceasing to be the Managing Director and CEO of the Company with effect from close of business hours of 31st March, 2026, including remuneration.	For	Against	Governance Concern: Considering the size and performance of the Company the proposed remuneration appears excessive, including concentrated ESOP benefits. Transparency concern: No disclosure about the future grant especially considering the past practice and company cannot grant options in earlier Scheme as the same is not ratified post listing for shareholders' approval.
4	08-03-2026	SBFC Finance Ltd	Others	Management	Re-designation of Mr. Mahesh Dayani (DIN: 06561389) as the Managing Director and CEO of the Company, for a term of five consecutive years commencing from 1st April, 2026 to 31st March, 2031, liable to retire by rotation, including remuneration.	For	Against	Governance Concern: Considering the size and performance of the Company the proposed remuneration appears excessive, including concentrated ESOP benefits. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 as amended (the "SEBI Regulations") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS), 2015, as amended from time to time as notified by the Companies (Indian Accounting Standards) Rules and other accounting principles generally accepted in India, to the extent applicable, and consistent with the SEBI Regulations:

- in the case of the Balance Sheets, of the state of affairs of the Schemes as at March 31, 2026;
- in the case of the Revenue Accounts, of the net surplus / (deficit) of the Schemes for the period / year ended as mentioned in table above;
- in the case of the Statement of Cash Flows, of the cash flows of the Schemes for the period / year as mentioned above; and
- in the case of the Statement of Changes in Net Asset attributable to unitholders, of changes in Net Asset of the Schemes for the period / year ended as mentioned above.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) issued by the Institute of Chartered Accountants of India ("ICAI") as applicable to the schemes. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. In conducting our audit, we have taken into account the provisions of the SEBI Regulations, the Ind AS as notified by the Companies (Indian Accounting Standards) Rules, other accounting principles generally accepted in India, to the extent applicable, and consistent with the SEBI Regulations and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Schemes in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the Schemes for the current period. These matters were addressed in the context of our audit of the financial

statements of each Scheme as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	Valuation and existence of Investments: The valuation and existence of the portfolio of investments is considered as a key audit matter since investments form the most significant component of the balance sheet and appropriate valuation of investments is critical to the computation of the net asset value (NAV). Investments are required to be valued as per the valuation policy approved by the Board of Angel One Trustee Limited and Angel One Asset Management Company Limited and in compliance with SEBI Regulations and Guidelines. [Refer Schedule A - Note 3.3 and Note 5 to financial statements]	Principal audit procedures performed: We gained an understanding of the internal controls surrounding valuation and existence of investments. We tested the valuation of the investments held in schemes as at March 31, 2026, by testing that the valuation is carried out in the compliance with the valuation policy as approved by the Board of Angel One Trustee Limited and Angel One Asset Management Company Limited and in compliance with SEBI Regulations and by comparing the prices used for investment valuation of securities appropriately obtained from following independent sources: • security level prices obtained from stock exchange and AMFI approved agencies; • Commodity prices obtained from London Bullion Market Association and commodity exchange We also assessed the provisions required as per SEBI Regulations on non-investment grade and/or downgraded securities, if any. We tested the existence of the Investments as at March 31, 2026 by obtaining and reconciling the direct confirmations of the holdings received from the Custodian of the Schemes.
2	Information Technology (IT) Systems The controls over IT Systems and the operating effectiveness thereof is considered as a key audit matter as the Schemes are highly dependent on technology due to the significant number of transactions that are processed daily and discrete IT Systems used. The audit approach relies extensively on automated controls and therefore on the effectiveness of controls over IT systems. IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner.	Principal audit procedures performed: We involved our IT specialists to obtain an understanding of the IT related control environment. Furthermore, we conducted an assessment and identified key IT applications, databases and operating systems that are relevant to our audit and have identified key applications relevant for financial reporting. For the key IT systems pertaining to financial reporting, our areas of audit focus included Access Security (including controls over privileged access), program change controls, database management and network operations. We obtained an understanding of the Entity's IT control environment and key changes during the audit period that were relevant to the audit. We tested the design, implementation and operating effectiveness of the Entity's General IT controls over the key IT systems that are critical to financial reporting. We also tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; including testing of compensating controls or performed alternate procedures, wherever applicable. Reliance was also placed on System and Organization Controls Report (SOC Report), while performing above procedures.

Information Other than the Financial Statements and Auditor's Report Thereon

The Managements of Angel One Trustee Limited (the "Trustee Company") and Angel One Asset Management Company Limited (the "AMC/Investment Manager") [together referred as (the "Management")] and Board of Directors of the AMC and the Trustee Company are responsible for the other information. The other information comprises the information included in the Trustee Report and the Abridged Financial Statements of Angel One Mutual Fund, but does not include these financial statements and our auditor's report thereon. The Trustee Report and Abridged Financial Statements of Angel One Mutual Fund are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and will not express any form of assurance or conclusion thereon.

In connection with our audit of these financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement therein of this other information, we are required to report the fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

The Management and the Board of Directors of the Investment Manager and the Trustee Company are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in Net Asset attributable to unitholders of the Schemes in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations, including the Ind AS as notified by the Companies (Indian Accounting Standards) Rules and other accounting principles generally accepted in India, to the extent applicable, and consistent with the SEBI Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Schemes and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Managements and the Board of Directors of the Investment Manager and the Trustee Company are responsible for assessing the Schemes' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the schemes, or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Investment Manager and the Trustee Company are also responsible for overseeing the Schemes' financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of each Scheme as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of each Scheme, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control of the Fund as a whole relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Schemes' internal financial control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Schemes' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Schemes to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements of each scheme that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Regulation 55, and Clause 5 of the Eleventh Schedule of the SEBI Regulations, we report that:
 - (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) the Balance Sheets, the Revenue Accounts, the Statement of Cash Flows and Statement of Changes in Net Assets attributable to unitholders dealt with by this report are in agreement with the books of account of the respective Schemes; and
 - (c) the financial statements have been prepared in accordance with accounting policies and standards as specified in Regulation 50 1(A) and the Ninth Schedule of the SEBI Regulations.
2. As required by Clause 2 (ii) of Eighth Schedule of the SEBI Regulations, we report that, Non-traded securities, where applicable, have been valued following the "Principles of Fair Valuation" approved by the Board of Directors of the Investment Manager and the Trustee Company. In our opinion, these valuations are fair and reasonable.

2 Basis of preparation and presentation

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. As on March 31, 2026, there is no new standard notified or amendment to any of the existing standards under Companies (Indian Accounting Standards) Rules, 2015.

2.1 Statement of compliance

The financial statements of the Fund have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 including guidelines issued thereunder, as amended from time to time (the "SEBI MF Regulations"). In case of any conflict between the requirements of Ind AS and SEBI MF Regulations, the requirements specified under SEBI MF Regulations shall prevail.

2.2 (a) Presentation of standalone financial statements

These financial statements of the Fund are presented in the format prescribed in SEBI circular no ""SEBI/HO/IMD-II/DOF8/P/CIR/2022/12"" dated February 04, 2022. The disclosures as required under Ind AS, as applicable to the Fund, are included in these financial statements.

The Financial statements have been prepared on an accrual and going concern.

Financial assets and financial liabilities are generally reported gross in the balance sheet.

They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the Fund and/or its counterparties

The Fund presents its balance sheet in order of liquidity. As per the format presented by the above circular an analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note 28.

(b) Provisions and Contingent Liabilities

The Scheme estimates the provision that have present obligation as a result of past events, and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The Scheme uses significant judgement to disclose contingent liabilities.

Contingent liabilities are disclosed when there is a possible obligation arising from past events. The existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Scheme or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

2.3 Functional and presentational currency

Item included in the Financial Statement of the Fund are measured using the currency of the primary economic environment in which the Fund operates (the "functional currency"). The Financial Statements are presented in Indian rupee (INR), which is Fund's functional and presentation currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

2.4 Basis of Measurement

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values through Profit and Loss at the end of each reporting period, as explained below.

All assets and Liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the fair value measurement in its entirety:

- Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor are they based on available market data.

2.5 Significant accounting judgments, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and accompanying disclosures (including contingent liabilities) at the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results could differ from these estimates. Any revisions to accounting estimates are recognized prospectively in the current and future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Key sources of estimation of uncertainty at the date of financial statements, which may cause a material adjustment to the carrying amount of assets and liabilities within the next financial year are included in the following notes:

a. Fair value measurement

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See note 26 for more information on the fair value measurement of the Fund's financial statements.

3 Summary of material accounting policies

3.1 Income recognition

Interest is recognised on a time-proportionate basis.

Dividend income is recognised on the ex-dividend date when right to dividend is established.

Profit or loss on sale/redemption of investments is determined on the basis of the weighted average cost method. Transactions for purchase or sale of investments are recognised as of the trade date.

3.2 Financial instruments

Initial recognition and measurement of financial assets and financial liabilities

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

All financial assets and financial liabilities are recognised initially at fair value when the fund become party to the contractual provisions of the financial asset. In case of financial assets which are not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial assets, are adjusted to the fair value on initial recognition.

The Fund's financial assets includes Investments, Receivables, Cash and cash equivalents, Bank balances other than cash and cash equivalents and other financial assets.

Purchase and sale of investments are recorded on the date of the transaction, at cost and sale price respectively, after excluding brokerage, commission, CCIL charges and fees payable or receivable, if any and stamp duty charges in case of investment in mutual fund units.

a. Classification and subsequent measurement of Financial assets and financial liabilities

Evaluation of Business Model - Classification and measurement of financial assets depends on the results of business model and the solely payments of principal and interest ("SPPI") test.

As per Eighth Schedule of the SEBI Mutual Fund Regulations, the valuation of investments shall be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the Securities. The Valuation shall be done in good faith and in true and fair manner based on the policies and procedures framed and adopted by the Board of AMC and Trustees as required by the SEBI Mutual Fund Regulations, 1996.

The Fund's portfolio of financial assets is managed, and its performance is evaluated on a fair value basis in accordance with the Fund's documented investment strategy, together with other related financial information. Hence, the Fund has not performed the SPPI Test.

Investments at fair value through profit or loss (FVTPL)

All investments are measured at FVTPL. Investments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the Revenue account. The gain recognized in the Revenue account is included in the 'Gain on Fair Value Change' line item and in case of loss recognized in the Revenue account is included in the 'Loss on Fair Value Change' line item.

b. Financial Liabilities

Financial instruments not measured at fair value

The carrying value less expected credit loss provision of other financial assets and other financial liabilities are assumed to approximate their fair values due to their short-term nature.

De-recognition

The fund derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the fund neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the fund enters into transactions whereby it transfers assets recognised on its Balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

The Scheme derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

3.3 Valuation of investments

All investments are valued based on the principles of fair valuation and have been valued in good faith in a true and fair manner.

Equity and equity related securities

All traded investments are valued at the last quoted closing price on the primary stock exchange.

When the securities are traded on more than one recognised stock exchange, the securities are valued at the last quoted closing price on the stock exchange where the security is principally traded.

Once a stock exchange has been selected for valuation of a particular security, reasons for change of the exchange are recorded in writing by the asset management company.

Where security is not traded on the primary stock exchange, the last quoted closing price of another Stock Exchange will be used.

If a security is not traded on any stock exchange on a particular valuation day, the value at which it was traded on the primary stock exchange or any other stock exchange, as the case may be, on the earliest previous day may be used, provided such date is not more than thirty days prior to valuation date.

Process followed for valuation of traded equity and equity related securities would be as follows:

For valuation purposes National Stock Exchange (NSE) has been selected as appropriate stock exchange for equity and equity related securities held by all the schemes.

Valuation of securities held by Exchange Traded Funds (ETFs) and Index Funds which are benchmarked to indices relating to a particular stock exchange, the principal stock exchange will be that exchange, eg. for a scheme which is benchmark against Sensex index, the principal stock exchange will be the BSE.

Gold / Silver

The gold & Silver held by an Exchange Traded Fund (ETF) shall be valued at the AM fixing price of London Bullion Market Association (LBMA) in US dollars per troy ounce for gold having a fineness of 995.0 & for Silver 999.0 parts per thousand, subject to the following:

- (a) Adjustment for conversion to metric measures as per standard conversion rates.
- (b) Adjustment for conversion of US dollars into Indian rupees as per the RBI reference rate declared by the Foreign Exchange Dealers Association of India (FEDAI); and
- (c) addition of –
 - (i) transportation, insurance and other charges that may be normally incurred in bringing such gold & Silver from London to the place where it is actually stored on behalf of the mutual fund; and
 - (ii) notional customs duty and other applicable taxes and levies that may be normally incurred to bring the gold from London to the place where it is actually stored on behalf of the mutual fund:

Provided that the adjustment under clause (c) above may be made on the basis of a notional premium that is usually charged for delivery of gold & silver to the place where it is stored on behalf of the mutual fund:

Provided further that where the gold & silver held by exchange traded fund schemes has a greater fineness, the relevant LBMA prices of AM fixing shall be taken as the reference price under this sub-paragraph.

(2) If the gold & silver acquired by the exchange traded fund schemes is not in the form of standard bars, it shall be assayed and converted into standard bars which comply with the good delivery norms of the LBMA and thereafter valued in terms of sub-paragraph (1)

Exchange Traded Commodity Derivatives (ETCDs)

Valuation will be done at end of day closing /settlement price published on the MCX.

Preference Shares

Non-convertible preference shares are valued like debentures, i.e. valued at average of security level prices obtained from valuation agencies.

TREPS and Reverse Repo

Investments in repurchase (repo) transactions (including tri-party repo i.e., TREPS) except for overnight repos are valued at the average of security level prices as provided by the valuation agencies, appointed by AMFI.

Investments in overnight repurchase (repo) transactions (including tri-party repo i.e., TREPS), are valued at the purchase yield/price on the date of allotment/purchase.

In case security level prices given by valuation agencies are not available (which is currently not held by any Mutual Fund), then such securities will be valued at purchase yield on the date of purchase.

Appreciation / Depreciation, as the case may be, in the value of the securities at the year-end have been computed for the Scheme, whereby the aggregate market value of all investments taken together is compared with the aggregate cost of acquisition.

The Marked to Market movement is Debited/Credited, as the case may be to the revenue account, however in case of closing appreciation then the same is transferred to appreciation reserve account by debiting the revenue account.

Units of Mutual Fund

Mutual Fund Units listed and traded would be valued at last quoted closing price. Unlisted Mutual Fund units and to be listed units or those for which no traded price is available would be valued at the last declared NAV on AMFI website as on the valuation date.

3.4 Impairment of financial assets

In accordance with Ind AS 109, the Fund uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For receivables, the Fund applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Fund uses historical default rates to determine impairment loss on the portfolio of receivables. At every reporting date, these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Fund uses 12-month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

3.5 Offsetting financial instruments

Financial assets and Financial liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Scheme or the counterparty.

3.6 Equalisation account

When units are issued or redeemed, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) as on the date of the transaction is determined. Based on the number of units outstanding on the transaction date, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) associated with each unit is computed. The per unit amount so determined is credited / debited to revenue and reserve as the equalisation account on issue / redemption of each unit respectively.

The balance in equalisation account is transferred to revenue account at the year-end without affecting the net income of the Scheme.

3.7 Determination of net asset value

The net asset value of the units of the Scheme is determined separately for the units issued under the options.

For reporting the net asset values within the portfolio, the Scheme's daily income earned, including realised profit or loss and unrealised gain or loss in the value of investments, and expenses accrued, are allocated to the related plans in proportion to their respective daily net assets arrived at by multiplying day end outstanding units to previous day's closing net asset value.

3.8 Unit capital

Unit capital represents the net outstanding units at the balance sheet date, thereby reflecting all transactions relating to the period ended on that date.

Upon issue and redemption of units, the net premium or discount to the face value of units is adjusted against the unit premium reserve of each option, after an appropriate portion of the issue proceeds and redemption payouts is credited/debited to the equalisation account.

3.9 Taxes

No income tax provision has been made as the Fund qualifies as a recognized Mutual Fund under section 10(23D) of the Income Tax Act, 1961.

3.10 Expenses

- a. All expenses are accounted for on accrual basis.
- b. New Fund Offer (NFO) expenses: New Fund Offer expenses for the Schemes were borne by the AMC.
- c. Pursuant to SEBI Circular No. SEBI/HO/IMD/DF2/CIR/P/2018/137 dated October 22, 2018, all the Scheme related expenses including commission paid to distributors, are borne and paid by the Schemes within regulatory limits mandated under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996.
- d. As per the SEBI Circular, the schemes have been charged 0.01% per annum towards Investor Education Fund of daily net assets within the maximum SEBI Total Expense Ratio (TER) limits as per Regulation 52 of SEBI (Mutual Fund) Regulations and in case of passive schemes covered under MF Lite Framework, the same is charged as 5% of total TER charged to direct plans, subject to maximum of 0.5 bps of AUM.

(All amount in lakhs, unless otherwise stated)

- e. Expenses not identifiable with any particular scheme shall be allocated to the schemes on the basis of Assets under Management or Number of Folios or Number of PANs or as appropriate.
- f. GST on Investment Management and Advisory Fees is charged over and above the cumulative SEBI TER limits as specified above.

3.11 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise of cash on hand and Tri-Party Repo (including reverse purchase transactions). For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes Cash on hand, balances with banks in current accounts, deposits placed with scheduled banks (with an original maturity of upto three months) and Tri-Party Repo (including reverse purchase transactions) that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.12 Statement of cash flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash future, any deferrals or accruals of past or future operating cash receipts or payments and item of expenses associated with financing cash flows. The cash flows from operating, and financing activities of the Fund are segregated.

4. MANAGEMENT FEES

The Scheme pays fees for investment management services (excluding goods & services tax) under an agreement with the AMC, which provides for computation of such fee as a percentage of the Scheme's average daily net assets, after excluding the net asset value of the investments by the AMC in the scheme and net asset value of investment made in other schemes, if any.

The Scheme measures its financial assets and financial liabilities at fair value at each reporting date.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Assessing the significance of a particular input requires judgement, considering factors specific to the asset or liability

Accordingly, fair value hierarchy for these financial instruments have not been presented above.

**Other Financial liabilities are carried at amortised cost which is a reasonable approximation of its fair value.

23 FINANCIAL RISK MANAGEMENT

The Fund's activities expose it to a variety of financial risks: market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk.

The Fund's AMC has overall responsibility for the establishment and oversight of the Fund's risk management framework. The Fund's risk management policies are established to identify and analyse the risks faced by the Fund, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Fund's activities. The Fund's Trustees quarterly monitors compliance with the Fund's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Fund which are summarised below.

The Fund uses different methods to measure and manage the various types of risk to which it is exposed; these methods are explained below.

i) Market Risks

Market risk is the risk of loss of future earnings, fair values or future cash flows related to financial instrument that may result from adverse changes in market rates and prices (such as foreign currency rates, interest rates, other price risks). The Fund is exposed to market risk primarily related to Price risk, Foreign currency risk, and Interest rate risk.

a) Price Risks

Price risk is the risk that the fair value of the future cashflows of the financial instrument will fluctuate as a result of changes in market prices and related market variables whether caused by factors specific to an individual investment, its issuer or the market.

The Fund's exposure to price risk arises from investments in Equity Shares, Corporate Bond, Certificates of deposit, Commercial paper, State Government Securities and Central Government Securities which are classified as financial assets at Fair Value Through Profit and Loss(FVTPL).

The following is the Fund's exposure to price risk:

- c) Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. Foreign currency risk arises from recognised financial assets and liabilities denominated in a currency that is not its functional currency (Indian Rupees). The Fund is exposed to the risk that the value of securities denominated in other currencies will fluctuate due to changes in exchange rates. The Fund may enter into foreign exchange forward contracts to reduce its foreign currency exposure. At March 31, 2026 - Nil, as the fund does not have any foreign exchange exposure.

- d) Interest Risk

Interest Rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

At March 31, 2026 - Nil, as the fund's investments are primarily in equity and equity related instruments.

25 CAPITAL MANAGEMENT

Unitholders are entitled to receive proceeds of the NAV per unit of that Fund for all or any of the units of such unitholder. The units are redeemable for cash equal to a pro rata share of the Fund's NAV. Upon issue and redemption of units, the net premium or discount to the face value of units is adjusted against the unit premium reserve of each option, after an appropriate portion of the issue proceeds and redemption payouts is credited / debited to the equalisation account.

The Fund may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.
